# ***Come, gather at the WELL!***

*In Biblical times the well was a gathering place for the community—a source of refreshment, nourishment, fellowship and learning. Isaac and Rebekah, Jacob and Rachel, Jesus and the Samaritan woman all met one another at the well.*

## **Wednesday Evenings Living and Learning (WELL)**

*is designed to offer individuals and families a wellspring of options for deepening their relationships with God and one another. Participants may select from various offerings that accommodate a wide spectrum of interests and schedules. Courses change approximately every six weeks, allowing adults to alternate between study/discussion groups, recreational and arts and crafts classes, and unstructured fellowship time. Activities for children and youth are consistent week-to-week, and also change with each new track.*

**Fall 2010 Kickoff is September 15**
